

## BIRDS IN GRACE CATHEDRAL CHOIR NEEDLEPOINT

Birds are arranged alphabetically by common name. Location in needlepoint seat cushion California Fauna series is listed after each bird as follows. On the south side of the choir, east of the organ console, are the clergy series; A= front row, B= second row, C= third row (wall stalls). West of the organ console are choir stall series; E=Farallon Islands- front row, and F=Sierra Nevada- second row. The north side of the choir continues the series with H=Monterey Bay- front row left, then I-Shore/Wetlands (local coast & San Francisco Bay)- front row right, and J=Deep Sea (Pacific Ocean)- second row left, then K=Pastorale (Point Reyes and North Bay)- second row right. Cushion number and section follows series letter in list. Listed separately are G= wall stalls south and L= wall stalls north. Some male birds are shown with females and some with females and chicks. Some birds have winter plumage.
