Wouldn't you like to wake up every morning knowing that you're doing your part to preserve important bird habitat? We think it's such an important choice that we've organized a Golden Gate Audubon Coffee Club to make buying and enjoying the right bird-friendly coffee a breeze. And if you're not already drinking shade-grown organic coffee, you'll be thrilled by the rich, clean flavor of **Birds & Beans** coffees.

Birds & Beans coffees are certified as bird-friendly by the Smithsonian Migratory Bird Center.

Birds & Beans offers a great incentive by waiving the shipping charges for GGAS Coffee Club members. Golden Gate Audubon is not charging any markup on these orders — you are getting the coffee at cost.

Golden Gate Audubon volunteer Erica Rutherford coordinates this effort. You can pick up your coffee once a month at either:

- The GGAS office in Berkeley (see office hours below), or
- The GGAS Speaker Series in Berkeley (this option is available on alternating months)
- Oakland farm (CSA) pick-up location (off Park Blvd. between Hwy 13 and Hwy 580)

Details

- Place your order with Erica by the last day of the month for delivery during the third week of the following month.
- Pick up your coffee either at the Speaker Series in Berkeley (every other month), Oakland location or at the GGAS office.
- Let Erica know if you want your orders to be renewed on a recurring monthly basis.
- Please mail a check made out to Birds & Beans. Payment is required at time of order — NO CASH, please.
- Mail may not arrive on time. If you choose to mail your order, please send an email too!
- Erica will email all coffee club members upon delivery.
